

A person with dark hair tied back, wearing a grey sweater and safety glasses, is working on a large, complex architectural model. The model is made of light-colored wood and cardboard, with various structural elements and a curved, organic form. The person is using a tool to work on the base of the model. The background shows a workshop with various tools and materials.

GRADUATE PROGRAMS in **Architecture**

Toronto Metropolitan University (TMU) is located in downtown Toronto. North America's fourth largest city and one of the most diverse, multicultural cities on the planet. Toronto is extremely dynamic, is home to world-class architects and attracts some of the world's top architectural practitioners.

- **Small class size**
- **Personal supervision**
- **Unique thesis**
- **Making lab**
- **Study Travelling**
- **Toronto**

**What makes
TMU's MArch
Program
Unique?**

Fall

Studio - AR8101 Studio in Critical Practice

Core - AR8102 Seminar in Critical Practice

Core - AR8109 Contemporary Architectural Theory

Winter

Studio - AR8103 Studio in Collaborative Practice

Core - AR8104 Seminar in Contemporary and Future Practice

Core - AR8110 Thesis and Design Research

Year 1

Collaborative A

Collaborative B

Summer

Elective Options x2 (only 2 electives required for graduation)

Thesis

Fall

Core - AR8106 Current Topics in Architectural Praxis

Thesis

Elective Options x 4 (only 2 electives required for graduation)

Winter

Thesis

Year 2
